Dear Fellow Parishioners,

We have much to celebrate and be grateful for today. The severe restrictions imposed by the COVID-19 pandemic are easing. Many of us have been vaccinated. The number of worshippers allowed to assemble in our church has increased. Our parishioners have continued their financial obligations, faithfully supporting our religious community and making it possible for us to pay our bills. During the past year we have observed all CDC, state and local requirements regarding safe COVID practices. We broadcast all Liturgical and Vesper services so that our parishioners at home may participate virtually in prayer.

I have noticed a positive spirit and a new level of enthusiasm growing in our parish. The recently initiated church beautification project is evidence of a new wave of spiritual energy among us. We eagerly await the lifting of all restrictions so that we can resume the familiar parish activities that we have so dearly missed.

If you have not already done so, I strongly urge you to fill out and submit your 2021 Stewardship Pledge Form, which demonstrates your level of commitment to our St. Luke Parish. I wish you all a blessed Pascha and I look forward to seeing you in church soon!

**CHRIST IS RISEN! – INDEED HE IS RISEN!**

Yours in Christ,

*Milan Visnick*
